

Working with LOD

Top 5+ benefits of secondments & contracting

1

Save on your typical employee cost

Usually, you would cover the salary cost and:

25%
employer cost

+

20%
recruitment cost

5

Get the expertise

By engaging LOD you can bring the niche skills required for a specific project or the expertise you're currently missing, without committing to a permanent contract.

2

Recruit quickly

We do the recruitment work for you.

Our team of legal professionals undertake a vigorous selection process and are matched to your exact requirements.

4

Use your core team more effectively

Be freed up for the work you and your team should be focusing on, such as more strategic, higher value work.

3

Flexibility

Flex your team up and down quickly and easily and only pay for the time you've used.

Get added value

Being part of the LOD community gives you access to:

- **Continued support** - with access to know-how, precedents, training and PI, we combine the approach of an in-house resource with the support typical of a major law firm.
- **Round-tables**- an intimate discussion platform for legal leaders to exchange experience and advice.
- **LOD Live** - a series of Q&As with industry influencers.
- **Life With Law** - talks dedicated to inspiring you to improve yourself and your life while practising law.
